Welcome Message

Dear Colleagues,

On behalf of the Mansoura Psychiatry Department and the Egyptian Psychiatric Association, it is my distinct honor to welcome you to

The 11th Annual International Conference

under the theme:

"Bridging the Gap: Integrating Neuroscience and Clinical Practice in Psychiatry."

We are delighted to host this distinguished gathering, which commences on 11 December 2024 at the Psychiatry Department Hall, Mansoura University, and continues on ***12 & 13 December 2024*** at the ***Steigenberger Hotel El Lessan in Ras El Bar.***

This year's conference theme reflects our commitment to advancing the field of psychiatry by aligning groundbreaking neuroscience research with the realities of clinical practice.

Over the next three days, we will engage in enriching discussions, share state-of-the-art research, and explore innovative approaches to patient care. It is my heartfelt hope that this conference will inspire collaboration, foster learning, and ignite new ideas to enhance our collective mission of improving mental health worldwide.

Thank you for joining us.

Your presence and expertise will undoubtedly make this conference a resounding success.

Warm regards,

Prof. Salwa Tobar
