Scientific Conference
The Role of Veterinary Medicine in Livestock Development in Light of Climate Changes"
دور الطب البيطري في تنمية الثروة الحيوانية في ظل التغييرات المناخية
18 Feb 2024
El-Kharaga City, New Valley
19-20 Feb 2024
Pyramisa Hotel Luxor

First-Day

18 Feb 2024

09:00 : 10:00 AM	Registration
10:00 : 10:30 AM	Opening Session A short video on New Valley University and the Faculty of Veterinary Medicine Dean of Faculty, Prof. Dr. Waleed Sensory. Vice President Prof. Dr. Hassan Abd Elatif President of New Valley University. Prof. Dr. AbdelAziz Tantawy
10:30 : 11:15 AM	1st Lecture Prof. Dr. Hussein Maghrapy Recent Trends in Competency-Based Veterinary Medical Education. الإتجاهات الحديثة للتعليم المبني على الجدارات فى الطب البيطري
11:15 : 12:00 PM	2nd Lecture Prof. Dr. Allaa Elden Elmorshidy "Veterinary Medicine and Human Safety" الطب البيطرى وسلامة الإنسان
12:00 : 12:30 PM	Honors
12:30 : 1:00 PM	Coffee Break
01:00 : 01:45 PM	3th Prof Dr. Awad Abdel-Hafez Ibrahim إعداد عنابر التسمين لإستقبال الكتاكيت
01:45 : 02:30 PM	4th Lecture Prof. Dr. Magdy Elgaabry "Blood parasites in cattle: current epidemiological pattern" "طفيليات الدم فى الأبقار: النمط الوبائي الحالى"
02:30 : 3:00 PM	Open Discussion
03:00 : 5:00 PM	Lunch and Evening tour

First-Day

18 Feb 2024

Scientific Sessions Hall (A)
05:30 - 07:20 PM

5.30 – 5.40 PM	Berberine chloride ameliorated PI3K/Akt-p/SIRT-1/PTEN signaling pathway in insulin resistance syndrome induced in rats" Dr/ Marwa El-Zeftawy Biochemistry
5.40 – 5.50 PM	Genetic evolution and phylogenetic analysis of Infectious Bronchitis Virus circulating in broiler flocks in New Valley Governorate, Egypt. Vet/ Sara Abdelnasser Virology
5.50 – 6.00 PM	Application of equine herpesvirus-1 vaccine inactivated by both formaldehyde and binary ethylenimine in equine. Dr/ Eman A. Shosha Virology
6.00 – 6.10 PM	Effects of dietary supplementation of a probiotic (Bacillus subtilis) on bone mass and meat quality of broiler chickens Dr/ Rania Samir Vet/ Manar Shaker Food Hygiene ,Safety and Technology
6.10 - 6.20 PM	Prevalence of Salmonella species in milk and milk products in New Valley governorate Vet/ Shimaa M. Emam Food Hygiene, Safety and Technology
6.20 – 6.30 PM	Effect of potassium sorbate and lysozyme on the growth of Bacillus cereus in manufacture of Domiati cheese. Vet/ Al Shimaa M. Abd EL Mgeed Food Hygiene, Safety and Technology
6.30 – 6.40 PM	Physiological Effects Of Perinatal Stress On Hypothalamic-Pituitary-Adrenal (Hpa) Axis In Rat Pups With Model Of Hyperthyroidal Mothers. Vet/ Asmaa H. Abdel-Kareem Physiology

First-Day

18 Feb 2024

Scientific Sessions Hall (A)
05:30 - 07:20 PM

6.40 – 6.50 PM	Genotypic and phenotypic characterization of L. acidophilus isolated from milk products. Vet/ Doaa A. Abd-Allah Microbiology
6.50 – 7.00 PM	Morphological investigation and functional aspect of the skin of the snout region in koi fish (Cyprinus carpio). Vet/ Samar A. Makhlouf Histology
7.00 – 7.10 PM	Housing Management of Male Dromedaries during the Rut Season: Effects of Social Contact between Males and Movement Control on Sexual Behavior, Blood Metabolites and Hormonal Balance. Dr/Ramadan D. El Shoukary Animal wealth Development
7.10 – 7.20 PM	Effects of pioglitazone and rosuvastatin on inflammatory gene expression and mitigation of diabetic nephropathy. Vet/Asmaa M. Sadek Pharmacology.
7.20 – 7.30 PM	Co-administration of glutathione alleviates the toxic effects of 2,3,7,8 TCDF on the DNA integrity of sperm and in the testes of mice. Dr/ Doaa Safowet/ Dr Nehal Kamal Forensic Medicine and toxicology

First-Day

18 Feb 2024

Scientific Sessions Hall (B)
5.30 - 7.30 PM

5.30 – 5.40 PM	Seroprevalence and Epidemiological studies on bovine viral diarrhea in cattle in New Valley Province, Egypt Dr/ Ahmed Maher Infectious Diseases
5.40 – 5.50 PM	Effect of A Non-Steroidal Aromatase Inhibitor on Ovarian Function and Synchronicity of Estrus in Ewes at Subtropics Vet/ Mohamed Abdeldaeem Gynecology
5.50 – 6.00 PM	Evaluation of the Efficacy of Vaccine in Coccidiosis in Broilers in New Valley Governorate Vet/ Esraa S. Mahmoud Poultry Diseases
6.00 – 6.10 PM	Prevalence of Yersinia enterocolitica and Cronobacter sakazakii in Animals, Human and Dried Milk in New Valley Governorate, Egypt. Vet/ Alaa Abd Allah Animal hygiene and zoonosis
6.10 - 6.20 PM	A Comparative Study of Camel Eye (Camelus Dromedaries) Using Ultrasound and Computed Tomography Imaging Techniques Dr/, Mohamed A. Abdelkawi Surgery
6.20 – 6.30 PM	Clinical and diagnostic studies on Rota and Corona viral infection in calves in New Valley governorate Vet/Shrook Th. Ahmed Infectious Diseases

First-Day

18 Feb 2024

Scientific Sessions Hall (B)
5.30 - 7.30 PM

6.30 – 6.40 PM	Epidemiological Studies on Salmonellosis in Pet Animals and Humans in New Valley Governorate, Egypt. Vet/ Ehdaa M. Hassab Hygiene and Zoonoses
6.40 – 6.50 PM	Risk Factors and Prevalence of Animal and Human Listeriosis in New Valley and El Behera Governorates, Egypt. Vet/ Aya M. Omar Hygiene and Zoonoses
6.50-7.00 PM	Ameliorating potential of clove oil on histological tissue damage induced by TCDD in lung of Wister albino Rats Vet/ Hanaa Gamal Abo Bakr1 Pathology and Clinical Pathology
7.00 – 7.10 PM	Effect of mineral-vitamin premix supplementation on behavioral, performance, hormonal, oxidative stress, and serum biochemical profiles on rutting male Camelus dromedarius in Egypt Dr. Nani Nasreldin Pathology and Clinical Pathology

Second-Day

19 Feb 2024

06:00 : 10.00 AM	Traveling to Luxor
10:00 : 12.00 PM	Visiting Banana Island
01:00 : 04.00 PM	Hotel Accommodation
04:00 : 07:15 PM	SCIENTIFIC SESSION Chairman Prof. Dr. Awad Abdel-Hafez Ibrahim 1st Lecture Prof. Dr. Magdy El Kady "Ongoing endemicity of H5Nx in Egypt" إستمرار توطن فيروس إنفلونزا الطيور xN5H فى مصر 2nd Lecture Prof. Dr. Ahmed Bestawy "Immune suppression in boiler chicken with special reference to Gumboro disease" الأمراض المثبطة للمناعة فى كتاكيت التسمين مع إشارة خاصة لمرض الجمبورو 3rd Lecture Prof. Dr. Ahmed Abdel-Aal Updates on BRD in calves Open discussion
07:15 : 07:45 PM	Companies talks
07:45 : 09:45 PM	Dinner
09:45 : 11:45 PM	Free tour of Luxor market

Third-Day

20 Feb 2024

10.00 : 11.00 AM	Closing Session
12.00 : 02.00 PM	Visiting Luxor and Karnak Temple
02.00 : 03.00 PM	Lunch
03.00 : 06.00 PM	Hatshepsut Temple and Valley of the King and Queens
