BASIC TMJ AND FOUNDATION SCIENCE

07:45 - 08:45	REGISTRATION
08:45 - 09:00	OPENING REMARKS & COURSE OVERVIEW

SCIENTIFIC SESSION 1

09:00 - 11:45 — *TMJ FUNDAMENTALS & BASIC SCIENCE*

CHAIRPERSONS - *Professors*: *SALVATORE SEMBRONIO - Nehal Patel - Mohammed Al-Muharraqi - Ricardo Tesch*

TIME	LECTURE	SPEAKER
09:00 - 09:15	Basic anatomy and physiology of the TMJ	EMAD SAED
09:15 - 09:30	TMJ Applied Surgical Anatomy	SALVATORE SEMBRONIO
09:30 - 09:45	TMJ Biomechanics in Relation to TMD (normal Vs abnormal)	NEHAL PATEL
09:45 - 10:00	Better understanding of TMD: Myogenous versus articular pain	TOFIQ BOHRA
10:00 - 10:40	Beyond the Bite: Unmasking TMD and Orofacial Pain	CAROL GABRIEL
10:40 - 10:45	*DISCUSSION*	
10:45 - 11:05	*COFFEE BREAK*	

SCIENTIFIC SESSION 2

11:05 - 12:30 — *TMJ ARTHRITIS & DEGENERATIVE JOINT DISEASE*

CHAIRPERSONS - *Professors*: *Abd Elfatah Sadakka - Galal ElBehiry - khaled Elbadry - Tarek ElGhareeb*

TIME	LECTURE	SPEAKER
11:05 - 11:45	Practical Approaches to TMD and Orofacial Pain	CAROL GABRIEL
11:45 - 12:00	TMJ Arthritis: What every maxillofacial surgeon should know	MOSTAFA ELNOUR
12:00 - 12:15	TMJ Degenerative Disease and Osteoarthritis	SALVATORE SEMBRONIO
12:15 - 12:30	TMJ Osteoarthritis: where are we now & where are we going?	RICARDO TESCH

SCIENTIFIC SESSION 3

12:30 - 14:00 — *CLINICAL DIAGNOSIS & IMAGING*

CHAIRPERSONS - *Professors*: *AHMED ALHASHMY Ashraf Abd Elfatah - Omar Mansour - Tarek Fetohy Khaled Taweffek*

TIME	LECTURE	SPEAKER
12:30 - 12:45	Practical TMJ Examination: Simple & Structured clinical approach	OMAR MOHAMMED NASIM
12:45 - 13:00	Clinical Diagnosis: McCain TMJ assessment sheet	REEM HOSSAMELDIN
13:00 - 13:15	TMJ imaging	OMNIA GAMAL ELDEN
13:15 - 13:30	TMJ MRI: A critical appraisal for treatment planning	AHMED ABDELREHEM
13:30 - 13:45	Role of US in TMJ	RICARDO TESCH
13:45 - 14:00	High Frequency US in TMJ	MAGDY TALAAT
14:00 - 14:10	*DISCUSSION*	
14:10 - 15:00	*LUNCH BREAK*	

SCIENTIFIC SESSION 4

15:00 - 17:00

CONSERVATIVE AND NON-SURGICAL MANAGEMENT

CHAIRPERSONS - *Professors*: ***Ibrahim Zeitoun - Mohamed Fata - Mohamed Warda - Ahmed Gaber-Khaled Hassan***

TIME	LECTURE	SPEAKER
15:00 - 15:15	Oral Appliances in TMD Management: A Practical Clinical Approach	MONA SABRY
15:15 - 15:30	Digital workflow of occlusal Appliances in TMD Management	MOSTAFA TAHOON
15:30 - 15:45	The occlusal splint did not fail: The diagnosis did	AYMAN HEGAB
15:45 - 16:00	Combined splint – Arthrocentesis therapy for management of TMD	WAEL AL-MOHANDES
16:00 - 16:15	Integrating virtual reality (VR) into postoperative temporomandibular joint (TMJ) physical therapy	MAGDY MOHAMED ALY SHABANA
16:15 - 16:30	Light Therapy in TMD Management: Mechanisms, Protocols, and Effectiveness	MONA SABRY
16:30 - 16:40	***DISCUSSION***	
16:40- 17:00	***BREAK***	

SCIENTIFIC SESSION 5

17:00 - 19:00

OPEN JOINT SURGERY

CHAIRPERSONS - *Professors*	*Islam Amer- Wael Al-Mohandes-Ahmed Gaber - Kamal ElSharkawy Abdullah Hammoud*

TIME	LECTURE	SPEAKER
17:00 - 17:15	My Apology to Conservative TMJ Surgeons... Before I Operate	HAMED SHAHEEN
17:15 -17:30	Algorithm of Surgical management of TMDs: McCain Cascade	REEM HOSSAM
17:30 - 17:45	Total Joint Replacement of the TMJ: A History from Stock to Patient-Specific Prostheses	MOHAMMED AL-MUHARRAQI
17:45 -18:00	TMJ stock prosthesis incorporation: A CT demonstration of the load sharing mechanism	PABLO LEITE
18:00 -18:15	End-Stage Temporomandibular Joint Disease: When Total Joint Replacement Becomes the Solution	IBRAHIM MOHAMED ELSHARABASY
18:15 -18:30	Role of TJR in orthognathic surgery	MOHAMED NAWWAR
18:30 - 18:45	Rethinking the TMJ in Orthognathic Surgery	MOHAMED GHANEM
18:45 - 19:00	The combined jaw joint control (CJJC) approach for Management of TMD patients with dentofacial deformity	AHMED ALHASHMY
19:00 - 19:15	Uses of extended reality in TMJ	OMAR KORATUM
19:15- 19:30	*Discussion & End up statement*	

TMJ ARTHROSCOPY

CHAIRPERSONS - *Professors*	*NEHAL PATEL - OMAR MOHAMMED NASSIM - Mohamed Farid - Diaa Elsaid*	
TIME	**LECTURE**	**SPEAKER**
08:00 -08:15	TMJ Arthrocentesis and Intra-Articular Injectables: Technique, Agent Selection, and the Threshold to Arthroscopy	MOHAMMED AL-MUHARRAQI
08:15 -08:30	Gross & Arthroscopic Applied Anatomy of TMJ (Show me the hole I'd put the ball in.)	REEM HOSSAMELDIN
08:30 -08:45	Arthroscopic Armamentarium and Operating Room Setup	SAMIR ELBOROLOSY
08:45 -09:00	TMJ Arthroscopy Simplified: First Puncture to Triangulation (Landmarks & portals of entry)	OMAR MOHAMED NASSIM
09:00 -09:15	Patient Selection: Who benefits? Indications & Contraindications	NEHAL PATEL
09:15 -10:15	Pearls and Pitfalls of TMJ Arthroscopy	MOE HAKIM
10:15 -10:30	Arthroscopic Pathology and Its Correlation with Wilkes Stages	SALVATORE SIMBRONIO
10:30 -10:45	A novel classification system for TMJ arthroscopy	RAFAEL MARTIN GRANIZO
10:45 - 10:55	*DISCUSSION*	
10:55 -11:15	*COFFEE BREAK*	
CHAIRPERSONS - *Professors*	*JIAO ZIXIAN - AHMED ABDELREHEM - MOE HAKIM - DEEPAK KOMATH*	
11:15-11:30	TMJ Arthroscopy - Level I: Fundamentals and clinical application *(Online)*	DAVID ANGELO
11:30-11:45	Advanced Level II TMJ Arthroscopy: radiofrequency & laser applications	NEHAL PATEL
11:45-12:00	Proportional arthroscopic discopexy (PAD)	RAFAEL MARTIN GRANIZO
12:00-12:15	Outcomes of Arthroscopic Discopexy for Arthrogenous TMJ Disorders	DEEPAK KOMATH
12:15-12:45	Semi-Rigid Discopexy: Yang's arthroscopic technique	JIAO ZIXIAN
12:45-13:00	Yang's arthroscopic technique for Rotational Disc Displacement	AHMED ABDELREHEM
13:00 -14:00	*GOMAA PRAYER & LUNCH BREAK*	

CHAIRPERSONS - *Professors*	*Susan hassan - RAFAEL MARTIN GRANIZO - LUCIANO DEL SANTO Mohamed Nahedj*	
TIME	**LECTURE**	**SPEAKER**
14:00-14:15	Semi-Rigid Discopexy: Modified Yang's Technique	DANIEL JEREZ
14:15-14:30	TMJ Arthroscopy Level III (Semi-Rigid Discopexy Techniques): A critical analysis	LUCIANO DEL SANTO
14:30-14:45	TMJ arthroscopy level III: Balance between McCaine & Yang techniques	TOFIQ BOHRA
14:45-15:00	Arthroscopic Rigid Discopexy: Resorbable Pins Anchor	RAFAEL MARTIN GRANIZO
15:00-15:15	Level IV TMJ Arthroscopy (inferior space): Pearls & Pitfalls	ROMUALDO MONTEIRO DE BARROS
15:15-15:30	Level IV TMJ Arthroscopy: My way to do	LUCIANO DEL SANTO
15:30-15:45	Level V TMJ Arthroscopy: Arthroscopic Management of the Alloplastic (Prosthetic) Temporomandibular Joint — Our Experience	MOHAMMED AL-MUHARRAQI
CHAIRPERSONS - *Professors*	***DANIEL JEREZ - TOFIQ BOHRA - ROMUALDO MONTEIRO DE BARROS MOHAMED FAYAD***	
15:45-16:45	Contemporary Management of TMJ Arthropathies	MOE HAKIM
16:45-17:00	Arthroscopic management of severe derangements/ perforation	ROMUALDO MONTEIRO DE BARROS
17:00-17:15	TMJ Arthroscopic discectomy	DANIEL JEREZ
17:15-17:30	The Role of Temporomandibular Joint Arthroscopy in Synovial Chondromatosis	SALVATORE SIMBRONIO
17:30-17:45	Arthroscopy for Recurrent Mandibular Dislocation	SALVATORE SIMBRONIO
17:45-18:00	New Arthroscopic protocol of TMJ Dislocation	MOHAMED FAYAD
18:00-18:15	A stepwise Guide for Safe TMJ Arthroscopy	ALY ATTEYA
18:15 - 18:30	TMJ Arthroscopy complications	ABD ELFATTAH SADAKAH
18:30- 18:45	Treatment Decision-Making: To scope or to open? (Arthroscopic Vs open surgeries: Cross fire Discussion & Controversy)	REEM HOSSAMELDIN & AHMED ABDELREHEM
18:45 - 18:55	***DISCUSSION***	
18:55- 19:00	***Closing & Group Photo SPEAKER: ALL***	

TIME	MODULE	LOCATION
Live Surgery - (8:00 to 12:00)		
	LIVE SURGERY TRANSMISSION PERFORMING 2 CASES TMJ ARTHROSCOPY CAIRO, EGYPT	
08:00 -09:30	Case 1 live surgery transmission: Arthroscopic TMJ disc repositioning & Suturing: East way	
09:30 -09:50	New perspectives in TMJ Arthroscopy LUCIANO DEL SANTO	CAIRO, EGYPT
09:50 -10:00	Beyond Arthroscopy: PRP versus Hyaluronic Acid as an Adjunct to TMJ Arthroscopy AHMAD M. AGGAG	CAIRO, EGYPT
10:00 -12:00	Case 2 live surgery transmission: Arthroscopic TMJ discopexy: West way	CAIRO, EGYPT
Computer Guided by materialise - (13:00 - 17:00)		
		CAIRO, EGYPT
Simulation (Module 3) (13:00 - 17:00)		
	TMJ Arthroscopy Hands On Simulators	CAIRO, EGYPT
U/S by Clarius - (13:00 - 17:00)		
	Hands On Simulators and Cadavers	CAIRO, EGYPT

TMJ ARTHROSCOPY HANDS ON CADAVER COURSE

Location : Princes Fatma academy - Cairo

Agenda for this session is available ONLY for participants and attendees

TMJ TJR Hands on Cadaver Course

Location : Princes Fatma academy - Cairo

Didactic Lectures | 8:00 - 10:45

Time	Session	Faculty / Notes
08:00–08:30	Welcome and course introduction (Morning Coffee)	SAMIR ELBOROLOSY MOSTAFA ELNOUR
08:30–08:45	Indications, patient selection and treatment cascades for TJR	MOHAMMED AL-MUHARRAQI
08:45–09:00	Overview of Open TMJ Surgery: Indications and Outcomes	AHMED KHAMIS ALHASHMI
09:00–09:15	Surgical approaches to TMJ surgery: Step by Step (Access & exposure)	AHMED ABDELREHEM
09:15–09:30	Open Discopexy: two techniques demo	MOHAMED ELSHAMAA
09:30–09:45	Virtual Surgical Planning in TMJ Total Joint Replacement: Pearls of Design and Material Selection	MOHAMMED AL-MUHARRAQI
09:45–10:00	Biomechanics and design principles of alloplastic TMJ prostheses	MAHMOUD FATA
10:00–10:15	Extended TMJ Replacement and Complex Cases	SALVATORE SEMBRONIO
10:15–10:30	Simultaneous orthognathic surgery & TJR with VSP	NEHAL PATEL
10:30–10:45	Complications of TMJ Replacement: Prevention and Management	SALVATORE SEMBRONIO
10:45–11:00	*Coffee Break*	
11:00–12:00	Virtual surgical planning & TJR digital workflow (Hands on Session I)	SHERIF SAMY
12:00–12:30	*Lunch Break*	

TMJ TJR Hands on Cadaver Course

Location : Princes Fatma academy - Cairo

12:30–17:00 — *Cadaveric Hands-on Training*

12:30 - 13:30 — *Demo for surgical approaches of TMJ*

Time	Session
12:30 –15:30	**Surgical Approaches hands on training** • Surgical approaches to the TMJ (preauricular / submandibular) • Layered anatomical dissection • Facial nerve protection • Exposure of the joint and preparation of surgical field
15:30–17:00	**Discopexy technique hands on training** • Identification and management of the articular disc • Discopexy technique

Each pair of participants will work on one cadaver (2 participants per cadaver).

TMJ TJR hands on Cadaver Course (Surgical & Advanced Modules)

8:00 - 10:30 *Didactic Lectures*

Time	Lecture	Speaker
08:00–08:30	Welcome Coffee	
08:30–08:45	TMJ Total Joint Replacement: Indications, Techniques and Outcomes	AHMED KHAMIS ALHASHMI
08:45–09:00	Surgical Execution of TMJ Total Joint Replacement: Technique, Infection Control and Postoperative Care	MOHAMMED AL-MUHARRAQI
09:00–09:15	"One-Stage Facial Reconstruction: Integrating Total Joint Replacement and Orthognathic Surgery through Digital Planning"	MOHAMED FARID
09:15–09:30	Customized TJR :10 years of experience in Egypt	MAHMOUD FATA
09:30–09:45	TJR in craniofacial malformations: tips & tricks	DANIAL JEREZ
09:45–10:00	Complications of Open TMJ Surgery and Total Joint Replacement	MOHAMMED AL-MUHARRAQI
10:00–10:30	Step-by-step surgical technique for TMJ total joint replacement (Demo intro)	NEHAL PATEL
10:30–11:00	*Coffee Break*	
11:00–12:00	Virtual surgical planning of TJR overview Hands on Session III	SHREIF SAMY
12:00–13:00	*Lunch*	

Cadaveric Hands-on Training

13:00 - 14:00 — ***Demo for TMJ Total Joint Replacement and conventional and endoscope assisted technique***

Time	Hands on Session IV
13:00 – 17:00	**TJR hands on training** • Exposure and preparation of the mandibular component • Exposure & Glenoid fossa preparation • Trial positioning and component adaptation • Implantation of custom-made / patient-specific 3D-printed TMJ prostheses • Fixation techniques (conventional & endoscope assisted) • Intraoperative verification • Troubleshooting and faculty-guided technical optimization
17:00–17:15	Postoperative Care & follow up
17:15–17:30	Faculty Panel: Clinical Pearls, Take-Home Messages
17:30–18:00	Certificates & Closing Remarks

Each pair of participants will work on one cadaver (2 participants per cadaver).
