Welcome Message

Dear Colleagues,

It is with great pleasure that we invite you to the 7th TOP Andro Derma Scientific Day and Workshops, on Friday, June 19, 2026, at Golden Tulip (Sun Rise) Hall, Sohag City.

This year's program is designed with a special focus on empowering junior colleagues. Alongside practical workshops and clinically focused scientific sessions, we are proud to introduce, for the first time, the Junior Dermatologist Award.

This award will recognize and celebrate a group of highly talented junior dermatologists through a competitive session, encouraging them to showcase their skills, creativity, and scientific thinking.

By combining practical training with mentorship and recognition, we aim to inspire the next generation, strengthen their confidence, and motivate them to pursue excellence in Dermatology and Andrology.

Your active participation will be the key to making this day a memorable success for our juniors.

Warm regards,

Prof. Ramadan Saleh
President, TOP Andro Derma Group
