Conference President
PROF. NAHLA NOSAIR

WELCOME MESSAGE

DEAR ESTEEMED COLLEAGUES,

It is with great pleasure and profound honor that I extend a warm welcome to all of you to our upcoming medical conference, an exceptional forum for advancing knowledge, fostering collaboration, and addressing the evolving challenges in clinical pathology.

The **Main Conference** will take place on **10th April 2025**, at the **Seminar Hall, Faculty of Medicine, Kafrelsheikh University**, under the theme: **"Innovations in Clinical Pathology: Challenges and Future Directions"**. This conference will serve as a platform to explore the latest advancements, share pioneering research, and discuss the pressing challenges and opportunities shaping our field.

Our scientific program includes two highly specialized workshops:

- 12 th April 2025: Fundamentals of Flow Cytometry Lab: Build Up Your Skills at the Flow Cytometry Lab, Kafr El-Sheikh University Hospital, designed to provide in-depth insights into this pivotal diagnostic tool.
- 15th April 2025: Bone Marrow Biopsy in Hematological Disorders & Multi-Head Microscope Training at the Hematology Unit, Kafr El-Sheikh University Hospital, offering valuable perspectives on cutting-edge techniques and their clinical applications.

I am confident that this conference will inspire new ideas, cultivate meaningful collaborations, and set the stage for impactful contributions to the medical and scientific community. Your esteemed participation will undoubtedly enhance the quality and success of this event.

We look forward to welcoming you and sharing an enriching and rewarding experience together.

Warm regards,

Conference President
