Welcome Message

Dear colleagues,On behalf of the organizing committee of

that will be held in El Hekma Club - Ras El bar, on May 15-19, 2023.
This year we are celebrating the DCDC 24th Anniversary

DCDC 24 Endorsed by Internal Medicine Department Damietta Faculty of Medicine, Damietta University, in collaboration with Damietta Medical Syndicate, ministry of health and Population and with many of big societies and Endocrinology Units in different Universities interested in the fields of Cardiovascular, Diabetes and Endocrinology.

It is the biggest cardiovascular and diabetes conference organized outside Cairo and Alexandria, our main capitals, regarding its scientific and educational contents.

This year more than 100 professors representing the biggest figures in these fields from all our universities will share in workshop and scientific sessions.

Waiting for your participation to enjoy this very comprehensive scientific event, as well as enjoying this magic island "Ras El Bar" with its unique view where River Nile meets the Mediterranean Sea and its very nice weather.
