Bloom Ville iron

DUOSOMIC® Technology

- **28 mg** — Elemental iron
- **8 mcg** — Vitamin B12
- **400 mcg** — Folic acid
- **60 mg** — Vitamin C

Technologies

LipoHANCE®CD4

- Blood Targeting Absorption Route
- Liposomal surface coating technology with Cyclodextrin Matrix
- Enhances absorption in the intestine via:
  - Paracellular and transcellular pathways.
  - Increases the fluidity of lipid bilayer in brush border membrane vesicles
  - Reduce claudin-4 expression- tight junction associated protein - for enhanced permeation.

LipoHANCE®LSE

- Intestinal Lymphatic Targeting Route
- Liposomal surface modification using advanced laurate sugar esters matrix
- Laurate sugar esters matrix enables absorption via M cell-mediated pathway targeting the lymphatic system for effective absorption.

28 mg Elemental iron

Ennanced absorption

Gentle on the stomach

No metallic Taste

No side effects

Non constipating

Dosage:

One capsule daily preferably With meal.
