Message from the President

It is my great pleasure and honor to ask you all to join us in the 29th EFSS Annual International Conference in Marriott Zamalek Hotel Cairo.

The 29th Annual International Conference of EFSS will be held during the period 30th November and 1st December, 2023 at Marriott Zamalek Hotel.

You may recall the great success, which we all enjoyed, in the previous Annual International Conferences organized by the Society during the past 28 years.

The EFSS 28th Annual International Conference held on Dec. 1-2 2022, was a great success. The Board of directors of the Society had invited a large number of International figures in the field of Infertility from different parts of the world to participate with us either physically or virtually as possible in this conference.

Oral and poster sessions will be organized to accommodate more scientific research display during the Conference.

This year's conference will be held after the opening of the Grand Historical Egyptian Museum, which will make an excellent opportunity to have the chance to visit this magnificent museum
We hope that you will enjoy the social gathering and scientific program as well

Sincerely
Prof. Gamal I. Serour
