# Message from the President

It is my great pleasure and honor to ask you all to join us in the 28th EFSS Annual International Conference in Cairo.

The 28thAnnual International Conference of EFSS will be held during the period 1st-2nd December, 2022.

You may recall the great success, which we all enjoyed, in the previous Annual International Conference organized by the Society during the past 27 years.

The EFSS 27th Annual International Conference held on Nov. 25-26th 2021, because of the COVID - 19 was a great success, albeit it was a hybrid one. The Board of directors of the Society had invited a large number of International figures in the field of Infertility from different parts of the world to participate with us either physically or virtually as possible in this conference. Oral and poster sessions will be organized to accommodate more scientific research display during the Conference.

This year's Conference will be held shortly after the opening of the Grand Historical Egyptian Museum, which will make an excellent opportunity to have the chance to visit this magnificent Museum

We hope that you will enjoy the social gathering and scientific program as well.

Sincerely

Prof. Gamal I. Serour

President of the Society and the Conference.
