Welcome Message

Dear Colleagues and Distinguished Guests,
It is our great pleasure and honor to welcome you to

"From Beijing to Alexandria: The Inaugural International Summit on Minimally Invasive Esophageal Surgery"

and the First Alexandria Esophageal Surgery Meeting,

held on 6–7 February 2026 at the Faculty of Medicine, University of Alexandria.

This landmark scientific event represents a unique collaboration between Alexandria University and the National Cancer Center, Beijing, aiming to foster knowledge exchange, share advanced surgical techniques, and strengthen international academic cooperation in the field of minimally invasive esophageal surgery.

The summit has been carefully designed to provide a rich and comprehensive program, with lectures and scientific sessions on the first day, followed by hands-on workshops on the second day, ensuring both theoretical insight and practical experience. We are honored to host an outstanding group of international and local experts who will share their expertise, experiences, and latest advancements.

We sincerely hope that this meeting will serve as a valuable platform for learning, discussion, and professional networking, and that it will contribute meaningfully to improving patient care and surgical outcomes.

We warmly welcome you to Alexandria and wish you a productive, engaging, and memorable meeting. With kind regards,
