Welcome

Dear Colleagues,

We are delighted to welcome you to the 14th annual conference of Diabetes; Gut and liver. Liver & systemic disease group of EASGLD that will be held in **September 27-28, 2017, National Training Institute (NTI), Cairo, Egypt.**

Along the two days of the conference we will discuss updates of what is interplaying between diabetes mellitus and liver diseases; both being national health issues of high concern in Egypt.

We are honored to introduce a distinguished renowned professors and colleagues that are experts in the field of Diabetology and Hepatology.

After the previous successful conferences we were able to internationally publish for the first time from Egypt a consensus conference guideline on our topic. In this conference, we invite you all to share in updating many topics in this subject of interest. With the era of new management lines and new drug therapies for Diabetes and also for liver diseases specially HCV; many new perspectives have been introduced to the field.

This conference will provide an excellent opportunity to all internists, dialectologist and hepatologist to share, participate and get updates in causes, pathophysiology and management of diabetes associating liver diseases that we commonly face in our practice in Egypt.

Waiting for your fruitful participation in **September 27-28, 2017, NTI, Cairo, Egypt.**
Best of our Greetings
