MINIA DERMA

Welcome Message

On behalf of the Dermatology and Venereology department, Minia University,
I take great pleasure in welcoming you to
the 11th Minia International Dermatology Conference (MiniaDerma 2025) in Minia, Egypt.
With honourable distinguished participants from the USA, Germany, Ireland and from all Egyptian universities, we are providing new updates and advances in Dermatology, Cosmetology, Venereology and Andrology.
The conference will focus on improving clinical and research skills in order to improve patient health.
A fantastic social program is also provided to enrich our dermatology-family friendship and relation.
I sincerely hope that you take the opportunity to network, learn, share and collaborate with international and national experts.
I wish you an enjoyable and productive meeting.
Let's enjoy the science, the food, the friendship and every moment together,

Yours Sincerely,
Sherif Shoukry Awad, MD, PhD.
