1st Annual Conference of the Nephro-Metabolic Forum

In collaboration with Fayoum Association of Nephrology

To the soul of late professor Hussein Sheashaa (1968-2020)

How harsh are the moments of farewell and separation, which are recorded and stored in the heart and memory, and how sad we feel as we remember one of the honorable educators who believe in the great educational message, the late professor Hussein Sheashaa, who left this world, after a journey of giving and a journey of life in the field of medicine and continuous medical education, leaving a fragrant biography, a good memory, a pure soul, and a legacy of noble values and ideals.

And no matter how many words of lamentation we write, we will not fulfill your right for the knowledge, time, effort and dedication you provided for the sake of your colleagues and students. you taught us virtuous morals and values, and instilled in us the love of science and knowledge, and deepened in the depths the values of love, goodness and belonging.

God bless your soul our role model

1st Annual Conference of the Nephro-Metabolic Forum

In collaboration with Fayoum Association of Nephrology

Welcome Message :

The Nephrometabolic Forum is honored to invite you to partner with us for our 1st Annual Conference of Nephrometabolic Forum In collaboration with Fayoum Association of Nephrology which will be held from 18 to 19 May 2023 at Helnan Auberge Fayoum Hotel , Fayoum.
