Clarity in Complexity

27 – 28 AUGUST
2026

Hilton Cairo Grand Nile

T N C

Conference President

Prof. Hazem Fayed

Prof. Ihab Shawky

Conference Secretary

Prof. Ehab El Seidy

Prof. Wafik Bahnacy

Dear Distinguished Colleagues and Guests,

It is our profound honor to invite you to the 10th Anniversary of the Tanta Neurology Conference (TNC). For a decade, this gathering has served as a cornerstone for academic excellence and clinical advancement in the heart of Egypt's neurological community.

Under this year's theme, "Clarity in Complexity," we aim to decode the most intricate challenges of the nervous system.
Our scientific program is meticulously curated to provide clinicians and researchers with clear, evidence-based pathways in an era of rapidly evolving medical technology.

From groundbreaking sessions on neuro-intervention and neuro-rehabilitation to the latest in psychiatric and neurosurgical integration, TNC 2026 promises an intellectually stimulating environment. We look forward to welcoming you to the Hilton Cairo Grand Nile for two days of world-class science, professional networking, and the celebration of ten years of shared progress.

Join us as we bring clarity to the complex.

Conference President
Prof. Hazem Fayed
