WELCOME NOTE

Dear friends and colleagues,

The Egyptian Orthopaedic Association (EOA) in collaboration with the Orthopaedic Surgery Department [Faculty of Medicine, Minia University] would like to invite all enthusiastic orthopaedic surgeons for the coming clinical monthly meeting of the EOA that will be held in JEWEL ELMINIA on Thursday 13th of July, 2023.

This meeting will comprise a strong scientific program in clinical case presentation fashion covering most of orthopaedic surgery subspecialties. These lectures (38) will be delivered by the staff members, assistant lecturers and senior residents of Orthopaedic Surgery Department [Faculty of Medicine, Minia University] to present how far our department has reached coapting with the advances in orthopaedic surgery in collaboration with 12 eminent national speakers from all Egyptian universities.

We believe this meeting will cover most of the topics that are of paramount importance and interest for most orthopaedic surgeons in the daily practice.
