Mansoura Nephrology Dialysis Unit

26 JUNE 2024|SKILL LAB, FACULTY OF MEDICINE, MANSOURA UNIVERSITY

Welcome Message

Welcome to this pioneering workshop on Onconephrology, a field that stands at the crossroads of oncology and nephrology.

We gather to explore the complexities of cancer-related kidney diseases, an area that demands our utmost attention and expertise.

On this educational journey, we are expected to have insights that will guide us through the latest research, innovative treatments, and comprehensive care strategies that are shaping the future of onconephrology.

This workshop is not just a platform for learning but also an opportunity for us to have connections, share experiences, and collaborate towards a common goal: improving patient outcomes.
