Dear colleagues
We are delighted to invite you to the 1st TOP Andro Derma Annual Conference on "Hot Topics in Dermatology and Andrology" to be held in Long Beach Resort, Hurghada on June 27th to 29th, 2024; and the pre-conference workshops in Sohag City on June 25th.

The scientific program of this conference is made in a way that it meets the expectations of all participants. The program offers a unique opportunity to interact with key experts in the fields of Dermatology, Venereology and Andrology.

This meeting promises to be highly rewarding on intellectual as well as on social basis. We chose a venue that guarantees a successful meeting. Sun, Sea and Sand are the perfect words to describe Hurghada.

This city was founded in the early 20th century, and has now become the first tourist resort in the Red Sea area.
Please mark your calendar with the dates of this meeting and join us in what we expect will be a fantastic event.
Looking forward to your active participation in this important event.
