WELCOME MESSAGE

Dear colleagues…

It is great honor to welcome you all to the 3rd Annual Conference of Obstetrics and Gynecology Departments, Upper Egypt.

This Year, the organizing committee try to achieve a national prospective of the conference after being a local one with invitation of the attendees from all Egypt, Middle East and Europe. For this reason we decided in this cycle to come to our great capital of civilization; Cairo.

We worked seriously to prepare a strong scientific program, that covers the major issues related to women reproductive health that will achieve the goal behind the conference title "womens' health challenges". In addition to a well selected pre-conference workshops that will include important aspect of Obstetrics and Gynecology.

All Professors and imminent consultants of Obstetrics and Gynecology in Egypt will be invited to attend and participate in our conference parallel to the invitation of more than 25 KOL Speakers, hopping that their time enables them to come and share us their valuable knowledge.

We are very thankful to the support we received from many societies in Egypt as the Egyptian society of feto-maternal medicine, RCOG-ERC, and Safe mother, safe child, as they actively share us in the scientific program and pre-conference workshops. Last but not least, a great appreciation to all pharmaceutical companies and Egyptian society of chronic pelvic pain for their strong support of this conference.

We appreciate the hard work from our colleagues and organizing committee from the Department of Obstetrics and Gynecology, Faculty of Medicine, Minia University for their perfect management of all issues concerning this conference.

Please accept my best wishes hopping that your attendance will be of value for you and us.
