WELCOME MESSAGE

UEARS 2022 welcomes Attendees, Speakers, Sponsors and Partners from all over the world.

We are delighted to invite you all to attend and register for the **"6th Upper Egypt Assisted Reproduction Conference"**, which is going to be held during February 22–25, 2022 at Cairo Marriott Hotel, Egypt. The organizing committee has invited many distinguished international and national presenters who will undoubtedly stimulate vigorous debate at the conference and make this an exciting and informative conference program that includes a wide range of keynote presentations, plenary talks, symposia, workshops and poster presentations on a wide range of topics, as well as an exciting exhibition.

We invite you to join us at **UEARS 2022**, where you will be sure to have a meaningful experience with scholars from around the world. The main theme of the conference is: "Infertility: Back to the Future". All members of the UEARS 2022 organizing committee look forward to meeting you.

We have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and lively interaction with industry leaders and experts.

This is an excellent opportunity for the delegates from universities and institutes to interact with the world-class scientists and eminent personalities. The intending participants can confirm their participation by registering for the conference along with their colleagues.

Life is full of give and take. Make it count in your professional life. Attend UEARS 2022
to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your Centre to the next level.

We look forward to personally welcoming you to Egypt in February 2022

Sincerely,
UEARS 2022
Organizing Committee

KEYNOTE SESSIONS

08:00 -09:45 | Registration

SESSION 1 (Plenary A) 09:45 - 12:45 AIDA HALL (A&B)

CHAIRPERSONS *Alphabetically*
Hazem Abdelghafar, EG - Mohamed Aboulghar, EG - Mohamed Bedaiwy, CA - Yacoub Khalaf, UK

TIME	TOPIC	SPEAKER
09:45 - 09:55	Welcome message	***Yacoub Khalaf, UK***
09:55 -10:20	Genital infections and fertility	***Jeffrey Andrews, US***
10:20 -10:55	Introducing new technology in IVF - Did it improve the outcome.	***Mohamed Aboulghar, EG***
10:55 -11:20	Safety of IVF/ICSI- are we on the right trajectory?	***Yacoub Khalaf, UK***
11:20 -11:45	Reproductive implications of MAC 2021; Classification of Mullerian anomalies	***Mohamed Bedaiwy, CA***
11:45 -12:00	DEVARTLab TOGETHER FOR WORTHY LIFE Antioxidants In Female Infertility , Between Theories and Practice	***Hatem El-Gamal, EG***
12:00 -12:30	FERRING PHARMACEUTICALS The role of HCG in ovarian stimulation	***Hossam Fahim, EG***
12:30 -12:45	Opening	
12:45 -13:00	Beak Break at (Salon Vert)	

WEDNESDAY FEBRUARY 23, 2022

CONCURRENT SESSIONS

SESSION 2 13:00 - 14:30

HALL "A" AIDA	HALL "B" AIDA	Hall "C" Verdi	HALL "D" THE EMPRESS
Session 2 (A)	Session 2 (B)	Session 2 (C)	Session 2 (D)
CHAIRPERSONS *Alphabetically* ***Mohamed Nour, EG*** ***Osama Shawki, EG*** ***Yacoub Khalaf, UK***	**CHAIRPERSONS** *Alphabetically* ***Allam Abdelmoneam, EG*** ***David Mortimer, CA*** ***Mahmoud Samy, EG***	**CHAIRPERSONS** *Alphabetically* ***AbdelMageed Sarhan, EG*** ***Magdy Amin, EG*** ***Samy Madkor, EG***	**CHAIRPERSONS** *Alphabetically* ***Emad Kamal, EG*** ***Mohamed Mahmoud, EG*** ***Momen Abdelkhalek, EG***
13:00 - 13:20	13:00 - 13:20	13:00 - 13:20	13:00 - 13:20
How to excise uterine septum? ***Stefano Bettocchi, Italy***	Oocyte cryopreservation ***Hesham Saleh, EG***	Freeze-all cycles: What is the evidence? ***Nandita Palshetkar, IN***	Critical appraisal of advanced sperm selection techniques - Where is the evidence? ***Denny Sakkas, US***
13:20 - 13:40	13:20 - 13:40	13:20 - 13:40	13:20 - 13:40
How to incise uterine septum? ***Osama Shawki, EG***	Ovarian tissue cryopreservation: an era to come. ***Hesham Al-Inany, EG***	The reproductive clock revisited ***Ahmed Nasr, EG***	Sperm morphology: A conflict. ***Emad Taha, EG***
13:40 - 14:00	13:40 - 14:00	13:40 - 14:00	13:40 - 14:00
Laser resection of uterine septum ***Luigi Nappi, Italy***	Safe cryobanking: Protecting your specimens and staff ***David Mortimer, CA***	The OHSS-free clinic ***Kedar Ganla, IN***	Male contraception: How close are we to a new pill? ***Christopher Barratt, UK***
14:00 - 14:20	14:00 - 14:20	14:00 - 14:20	14:00 - 14:20
Uterine septum: Better to remove ***Carlo De Angelis, Italy***	Five things you did not know about oocyte and embryo vitrification ***Joe Conaghan, US***	Fibroid and infertility ***Madhuri Patil, IN***	Artificial sperm and oocyte activation ***Thomas Ebner, Austria***

Endometrin®
progesterone vaginal tablets

ENDOMETRIN® Vaginal Insert: A highly soluble effervescent formulation

- Endometrin® is a natural progesterone extracted from Mexican yam.[1]
- The highly soluble, effervescent, bicarbonate vaginal tablet delivers 100 mg of micronized progesterone.[2,3]
- When moisture penetrates the tablet, the majority breaks down into water and carbon dioxide, resulting in a clear fluid once dissolved.[4]
- Endometrin® is not associated with issues such as build-up and vaginal irritation, which have been reported with other formulations.[3]
