WELCOME MESSAGE

UEARS 2023 welcomes Attendees, Speakers, Sponsors and Partners from all over the world.

We are delighted to invite you all to attend and register for the ***"7th Upper Egypt Assisted Reproduction Conference"***, which will be held February 15 - 17, 2023 at the Cairo Marriott Hotel, Egypt.
The organizing committee has invited many distinguished international and national presenters who will undoubtedly stimulate vigorous debate at the conference and make this an exciting and informative conference program that includes a range of keynote presentations, plenary talks, symposia, workshops and poster presentations on a wide range of topics, as well as an exciting exhibition.

We invite you to join us at ***UEARS 2023***, where you will be sure to have a meaningful experience with scholars from around the world. The main theme of the conference is: *"Lessons learned, Problems Solved, Wisdom through Adversity"*.
All members of the ***UEARS 2023*** organizing committee look forward to meeting **you**.
We have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world, but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and lively interaction with industry leaders and experts.

This is an excellent opportunity for the delegates from universities and institutes to interact with the world-class scientists and eminent personalities. The intending participants can confirm their participation by registering for the conference along with their colleagues.

Life is full of give and take. Make it count in your professional life. Attend ***UEARS 2023*** to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your Centre to the next level.
We look forward to personally welcoming you to Egypt in February 2023.

SINCERELY,
UEARS 2023
