VoiceEgypt

INTERNATIONAL CONFERENCE ON

VOICE AND SWALLOWING DISORDERS

16-18 October, 2025

Steigenberger, Ras El Bar-Damietta

Dear Esteemed Guests, Colleagues, and Friends,

On behalf of the organizing committee, it is my great honor and privilege to welcome you to the International Congress on Voice and Swallowing Disorders in the beautiful city of Ras Elbar. This picturesque location (at the convergence of the Nile River and the Mediterranean Sea), known for its stunning landscapes and serene atmosphere, serves as the perfect backdrop for a gathering dedicated to advancing our understanding and treatment of voice and swallowing disorders. This gathering brings together leading experts, researchers, and practitioners from around the world to share knowledge, exchange ideas, and foster collaborations that will advance our understanding and treatment of these critical areas.

Over the few days between 16 and 18 October 2025, we will explore the latest innovations, research, and clinical practices in our field. This event is more than just a platform for knowledge exchange-it is an opportunity to foster new partnerships, reignite our passion for our work, and inspire each other with fresh ideas and solutions. Over the conference days, we will delve into the latest research findings, innovative therapies, and clinical practices that address voice and swallowing disorders. Our program features keynote presentations, panel discussions, and hands-on workshops designed to inspire and inform. we will engage in insightful discussions, share groundbreaking research, and explore innovative approaches to diagnosis and treatment. Our lineup of esteemed speakers and interactive sessions promises to inspire collaboration and foster new ideas that will enhance patient care and outcomes.

I encourage you to actively participate in the discussions, network with your peers, and take full advantage of our prepared scientific and social programs. Let us advance the science and practice of our field and strengthen the bonds that unite our global community.

As we come together to share our knowledge and experiences, let us also take the opportunity to enjoy the unique charm of Ras Elbar city. We encourage you to explore its beautiful beaches, rich culture, and warm hospitality.

Thank you for being part of this important event. Together, we can make significant strides toward enhancing the lives of those we serve.

Welcome to Ras Elbar city, Egypt, and welcome to the future of voice and swallowing care.

Warm regards

Prof. Tamer Abou-Elsaad, MD, PhD

Prof. of Phoniatrics, ORL Department, Faculty of Medicine, Mansoura University, Egypt.
