Message from the President

It is my great real honor to see my dream came true and today I am cordially welcoming you to **10th Annual International Congress of Women's Health Promotion Society**. the idea of the society started 9 years ago and from that date we worked hardly in a professional systematic targeted way supported by our faith, strong believe, patience and perseverance leading to our recognition as one of the well-established societies caring for women's Health in Egypt and beyond.

Egypt .the land where the first Gynecological papyrus in the human history (Kuahun papyrus) was written featuring the oldest known treaty of gynecology and obstetrics which address issues as fertility, pregnancy, contraception and gynecological disease. Egypt is also the land of the first women physician in the history MERIT PTAH 2700 BC and recently the land of the father of women's health, **Prof Mahmoud Fatah Allah**, so it is not a surprise to put women's health promotion as a priority.

The conference will be held in Alexandria, a city with lots of attraction historically and sightseeing .it is worse mentioned that 2000 years ago, Alexandria possessed a famous medical school where Herophilus, the father of anatomy, was the first to perform systematic dissection of the human body. It is Alexandria where Soranus, the famous gynaecologist made the first drawing of the human uterus. At the same time Cleopatra was the queen of Egypt, when Egypt was championing the world in the cause of gender equality, hundreds of years before Europe had its first queen.

2023 society congress has been designed to serve as a gateway for scientific researchers and clinicians to acquire the most up-dated knowledge, skills and technology advancements in various fields of women's Health and we will make all efforts to ensure that everyone will have his active share in this medical scientific forum. I am sure, like years before, the attendees will be well rewarded and will be already looking forwards to next year's event.

WHP and Conference President

Prof. Ahmed Fawzy Galal

MD. PHD. ARDMS (USA). APCA (USA) Prof obstetrics and Gyn Alexandria university Lead Consultant of reproductive medicine and infertility Advisory consultant of WHO Chairman of women's health promotion society Exudative director of Alexandria medical training center
